My dear Mr. Moftah,

I am so sorry to hear that your plans have failed. (The Minister for England is now in Cairo, I think? Could not he help?) I feel sure that the time you were in this country was a priceless opportunity, & that you missed it, — largely owing to mis-management of affairs, previously. Many thanks for your kind wishes, which I most heartily reciprocate. God bless you!

Yours in Xt's Service,
