My dear Mr. Moftah,

Thank you for your letter & enclosure. I do not expect to come to Egypt; & never combine with others at Recitals or Lectures, or indeed give them, unless they bring in finance for the Mission.

With best wishes for the New Year,

Yours in Xt's Service,

+ Ernest Newlandsmith (Friar)

P.S. You did not let me know your address until quite recently. E.N.

P. P. S.

By-the-way, the Lecture-Pamphlet I sent you the other day is not charged on that List of Accounts you ~~had~~ received from me before you left England.
