I am intending to retire "out of the world", in my room, until Monday morning.

The only food I wish put outside my door is:— the usual tea-&-biscuits at 8 a.m., & the same at 3.30 & 7.30 p.m.

But if there is bread & cheese in the cupboard in the Hall, it will come in useful should I need it, & I can fetch it myself.

Thanks you for the letter.
