PAX: May 25

My dear Mr. Moffatt,

Will you kindly settle the enclosed at Messrs. Daphnoe, Direct, as you are in Oxford? (It is very reasonable I think.) Looking forward to seeing you tomorrow at 4.30 p.m.

Yours in Him,

P.N.

At the End of Lecture

"In conclusion to this Lecture-Recital, I would like to express my heart-felt appreciation to Prof. Newlandsmith, for his long & difficult researches. I feel that this ancient Coptic Music should make a link of real Brotherhood between East & West."
