THE HERMITAGE,

PAX : LETCHWORTH

Nov. 21st : 1934

My dear Mr. Moftah,

This is only one line or so to thank you for your cheque for £15 : in settlement for the work on the Coptic Music to date. For many weeks I have been very ill, but shall hope to write again as soon as I am well enough. Please

let me hear just how things are with you, & if you have done anything more towards gaining support for our plan for publication?

With kind wishes,

Yours in Him,

Ernest Newland Smith
