MARTHA GRAHAM 66 FIFTH AVENUE NEW YORK

Thursday -

Dear Aaron -

I am so happy you will work with me I know we can manage to do it this summer. June would be wonderful - but we could also work it out at Bennington, too. If we worked there I might not be able to do it this summer - I work so slowly - but I could prepare it for fall. WGN has signed me for a hour next season. I had thought 20 or 25 minutes in length at most.

I have been working on a book of pictures to come out this summer so I have been held up on my scenario but I can get to work on it soon.
