Dear Mr. McElwaine:

We have just received the enclosed picture of Messrs. Kaye and Zirato, and thought that it would be a wonderful surprise for Mr. Zirato if Mr. Kaye would autograph it in white. When Mr. Kaye was in the office, he seemed quite interested in the other pictures of the Maestros that are inscribed to Mr. Zirato - and I know that Mr. Zirato would like very much to add Maestro Kaye's picture to his collection.

With many thanks for your trouble, and best wishes to you and the Maestro,

Cordially,

Joan Bonime
