Dear Danny:

Herewith is my friend & colleague Arthur Helliwell, who is, I understand, accepting your invitation to see Hollywood & its "lovely people".

It should make some good stories — especially if you are in Hollywood. If you are on tour, as I suspect, give him the necessary notes to Jack Benny, Betty Hutton, — & especially Dinah Shore.

We are all looking forward to your coming here in a few weeks.

Best love to all three of you ~~[illegible]~~ in the company — & of course to Sylvia

Yours affectionately
Swaff.
