June 22, 1984

Dear Danny:

People are still talking about the concert in the most glowing of terms.

I can now report to you that we raised, after all expenses, approximately $325,000, which is an absolutely best ever record for the city of Montreal for any kind of endeavour whatsoever.

From the orchestra and myself our love and continued thanks.

Sincerely,

E. Leo Kolber
Senator

Mr. Danny Kaye
1103 San Ysidro Drive
Beverly Hills, California
