"For Freedom and for France"

M. F. Andrup.

1. Out over France the cannon's boom, Their
2. Out over France the airships fly, As
3. On watch round France our sailors plow, The

4. Wave high "Old Glory" proud and free, With

lightning flashes out the gloom. The earth is rocking to and fro, While over the
freedom's eagles of the sky. They hunt the huns and turn them down, To reap the
ocean deep that foams the bow, Of battle ships that won our fame, Carried our

pride we all will follow thee, Out over freedom's battle ground, While songs of

top our heroes go. To seal with deed the tyrants doom, For freedom
death fields they have sown. Thus allied soldiers win the day. For freedom
host in freedom's name, Across Atlantic in battle glow, For freedom

victry shall resound, With joy out over land, and sea, For freedom
