There is some-thin' in Ber-lin, O, yes there's
He's the guy that put the "eye" in Wil-ly-
When the Zus-i-tan-ia ris-es from the
some-thin'; — Some-thin' nice we got to do and do it right, And I
I-am, But no guys will un-der-take to punch it black, So it's
bot-tom; When the boys who died for us are brought to life; When you
have-ent an-y scru-ples say-in' just what, — Just what it
Wil-ly I-am-not will be his name then, While we
give the moth-er back her mur-dered ba-by, When you
is we got to do to join the fight. There's a
chase what's left of him to hell and back. There's the
give the hus-band back his mur-dered wife; When you

guy we got to get and get him prop- er, 'Cuse we
time that ev- ery- thing will look so dis- mal, On- ly
re- pro- duce the church- es you've de- nom- ished, When you

think it's just the prop- er thing to do, And his
just one lit- tle vis- ion from the blow; "Ach! mein
give to Bel- gium what you took a- way; When you

name is, — nev- er mind just what his name is, — Come to
eye!" says Bill, "Ich see die Shtera und Shtripes" now," — You big
do all this per- haps we'll call it ev- en, But 'till

think of it, I'll leave his name to you:
fool, you should have seen them long a- go.
then, you'll just re- mem- ber what I say:

Chorus
