AMERICA FOREVER

PATRIOTIC SONG

WORDS & MUSIC BY
SARAH A. KENNEY-BOCKIUS

A merica forever A merica for all To
A merica forever A merica for all The
A merica forever A merica for all As

each and every native son She must not fail or fall. For they will stand for her and fight To
sons of her adoption Will heed her if she call. And stand by her and for her fight Be-
A united nation Obey our countrys call. Our hope that soon all ceasto fight And

win by her great might.
cause she's in the right.
then keep peace in sight.
