We prize our splen did "Ship of State", and strive to keep it right;
The deed of one who first de - creed war's hor - rid scenes of woe
And when this war is o - ver and our foe is baf - fled host,
Glad hail, our love - ly ban - ner bright - ly float - ing o'er the Free!

But Un - cle Sam has said, "To arms and fight our for - eign foes",
And while the crew it's du - ty do we'll back them in a fight.
Has caused our stand with Al - lied Band to be his ster - ling foe.
With smiles and tears we'll kind - ly speak of help - ful ones we've lost:
Its stars a - glow in a - zure show de - vot - ed U - NI - TY.

We'll kiss our lov - ing ones fare-well, with hearts pre - pared for war,

And spread o'er land and seas,
Glad hopes of FREE.
In peace and woeful wars
