"America is game"

words and music
by James Marsone

I

Solo America is in the war
To stay 'till it is through
Solo I hate the Kaiser so each day
I knit a sock or two
Solo That Yanks are there, he'll have no doubt
Solo We'll turn the Germans inside out
Alle He'll hear that song he knows about,
Its Yankee Doodle do

Cho.

Our Uncle Sam is getting ready
To wallop Kaiser Bill
And all our boys are strong and steady
And working with a will
If he wants fight, he's going to get it
From Sons of Liberty
There'll come a day when Bill will say
I am licked, you're too much for me.

II

Solo America is fond of peace
They said she was not game
Solo But since the Kaiser got too fresh
She's never been the same
Solo There is a man he cannot bluff
Solo Who does not fall for that rough stuff
Alle Wholl fight 'till Kaiser gets enough
And Wilson — that's his name
