The Volunteers

words and music by Al. Wood

Bugle call.

All

show you how to fight for the right for the right

And to see the might in its height in its height

GS NY No. 2 M1646 .M

It is sure-ly no child's play here to-day the

world to remain in freedom's away for al-way

Refrain

How I'll miss you honey -dar-ling

I can't keep the tears from fall-ing

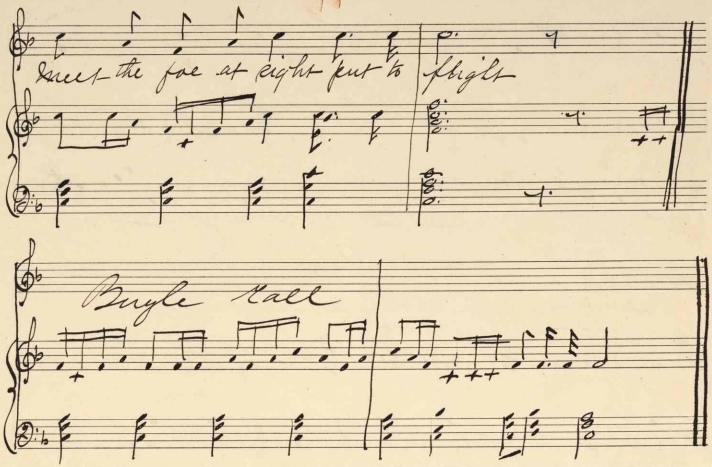
Whistled

the

Enemy will crack in the final at-tack

Leaving but a track to come back to come back I'll

show you how to fight for the light for the light



Sweet the foe at sight put to flight
