I

America, Our Country.
We sing to thy fair name.
Oh. land of peace and promise
The world rings with thy fame.

2.

Thy mighty men of valor,
Thy women, brave and true.
Have kept the nation's honor
The red, the white and blue.

3.

One God. One Heavenly Father
Rules o'er this peaceful land
all men unite as brothers.
a reverential band.

4.

America, our fortress,
The world has turned to thee,
a refuge for all nations
The home of Liberty.

— Chorus —

The flags of allied nations
are flying side by side,
But the Star Spangled Banner
Is our country's glorious pride.
