The Ace of Smiles

By ANNA MAY ROSS

Moderato

mf

Won-der-ful things hap-pen each day, Won-der-ful sights we see;——
Wash-ing-ton's name proud-ly we claim, He was our na - tion's pride;——

Won-der-ful folks all have their say, Play-ing di-plo - ma - cy;——
Lin-coln would fight, al-ways for right, No-bly he lived and died;——

A-ces of fame, play at the game, Striv-ing for mas - ter - y.——
Now we pro - claim, one oth - er name, Wil-son, our na - tion's guide.——

Clem-en-ceau of France, is the Ace of Hearts, Lloyd George the Brit-ish Dia-mond Ace;—— 'Neath

fair It-al-ia's skies, the Ace of Clubs they prize, Or-lan-do, i-dol of his race;—— On

Flan-der's field, brave Al-bert would not yield, The Ace of Spades the Hun re-viles;—— But the

great-est to command, is the Ace from Yan-kee-land, Wood-row Wil-son, Ace of Smiles.
