To Arms for right and Freedom!

To arms for right and Freedom!
Our President sent out a call,
A call for all to stand by
This glorious Nation of all.
Forget Your creed Your former birth,
Stand steadfast by him to the last on Earth!
This cause is justice help uphold his hand
For Victory go fighting to a man.

To Arms for right and Freedom:
Our Forefather heard that call.
United on the battle field
They bled and died for ons all!
They fought for our Flag our homes and Jon.
To brighten all the Stars upon the blue:
Gave life new birth to our country true.
Sweet Liberty and more they brought to Jon.

To arms for right and Freedom
Throughout the world for Liberty
Do not forget to answer
This call is meant for Jon and me.
Its Jon and Jon from Freedoms Land.
And, everybody coming to our shore.
To free the world from a tyrant's hand
Together now forever ever more.

To arms for right and Freedom
Let all Nations hear this mighty voice
Stand fast and down the traitor
Go fight in a righteous cause
With spirits as of freemen old
Go take up arms for peace until the goal
Where Freedom Liberty shall be the might
The Pen in all dispute shall be the Right

Chorus:
To Arms for Brotherhood of Nations
To Arms for Brotherhood of Man,
We'll fight for Right and Freedom
We will fight to free the world from tyrant's hand
