I

Awake, arise, America!
Imperiled Freedom calls,
Tyrannic rage assails the world;
Oh haste, or Freedom falls.

II

Awake, arise, America!
Democracy's at stake.
Imperial brutality
The world's great heart will break.

III

Awake, arise, America!
Remember Washington,
For the sacred cause of Liberty
In Lincoln's name come on.

IV

Awake, arise, America!
The whole world looks to thee,
In thee is centered all its hope
Of saving Liberty.
