Follow Old Glory.

1- Sons of America, rise in your might,
Strike with a courage, that's born of the right,
Glorious Old Glory, o'er land and sea,
Follow her colors, to victory.

2- Follow Old Glory, great is the call,
Monarchs, their crowns, and their sceptres must fall
Nations of earth are looking to thee
Pleading for justice, for liberty.

3- Emblem of liberty, born to make free
Speed with her mission across the blue sea,
There wave! Old Glory, till all shall sing,
Justice hath conquered, and God is King.
