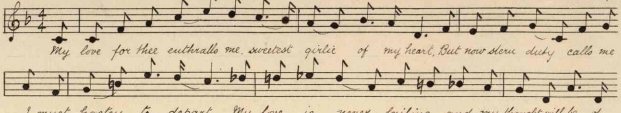
"It carries all the Soldier Boys along."

Music & Words by
Eglen Taylor.



So fare thee well my Sally, for it's "hands across the sea.
Wherever we may rally, at some far off foreign quay.
~~And all the boys are ready to engage and meet the foe.~~
~~But you'll be my own guiding star wherever we may go.~~
Goodbye! goodbye! the days will quickly fly.
Goodbye! goodbye! we fight to "do, or die".
~~But nevermore will life be bright "till our love we renew.~~
So Sally mine, do not repine, adieu! adieu!

(Chorus)
