Uncle sam aint no women
But he surley can take your man

There's a Brand new Blues Thats going --- a Round its not a
woman said they did not want any ---- men now they must

affecting no one But women... there's is one thing got them Beat it did
Prove it if they can do -- it its E. nough to make them curse But it

Take them of their feet uncle sam took their man out of Town They are
would Just make them worse if they did their country They'd of Fend- now they

gai-ing nut-ty cause they man is gone a way nothing they could do for him to
Thought they was so cute no one could Beat their time uncle sam will surley make them

make him stay They'd Been Tell ing folks how much they could do so They must
change their mind I have heard them say a man is a Joke But to do

Brace up and make Their word True
do with out them gets their goat uncle sam aint no woman But he

surely can take your man indeed he can now all the

women sure have got the -- Blues in this whole unneted -- Land there's no use of greeving Bout it

gal's he's gain to force your hand I know you'll miss your good man

But when he was home you kept an raise ing sand uncle sam aint no woman But he

sure ly can take your man in deed he can

Title
Uncle Sam Aint No Woman But He ~~Can~~ Surely Can Take Your Man

---

theres a brand new blues thats going a round its not affecting!
no one but women..theres is one thing got them beat it did take
them off their feet..when uncle sam took their man out of town!
they are going nutty cause their man is going away!
nuthing they could do for him would make him stay.
they been telling folks just what they could do
so they must brace up and make their word true

CHORUS

UNCLE SAM AINT NO WOMEN BUT HE SURELY CAN TAKE YOUR MAN IN DEED HE CAN!
now all the women sure have got the blues in this whole united land
its no use greaving bout it gals he is going to force your hand
i no you will miss your good man but when he was home you kept on raisein
sand uncle sam aint no women but he surely can take yout man in deed he

2nd

women said they did not want any men..now they must prove it
if they can do it its enough to make them curse
but it would only make them worse if they did this country
they offend now they thought they was so cute no one could beat their
time uncle sam will surely make them change their mind
i have heard them say men is a joke but to do with
out them get their goat
