"Dear Old Yankee Land" Wm.Worsley.

1

I've a letter in my pocket,it would do you good to see;
It is filled with little kisses,and with love enough for three;
It has crossed the wide,wide ocean,from Old Yankee Land to me.

2

Then ,you sweethearts who are waiting,for your lads across the sea;
Just you send to them a letter,like my sweetheart sent to me;
With a lot os kisses in it,and a love enough for three.

CHORUS.

Then,Hurrah for Yankee Land!
And our sweethearts--over there--
May Heaven bless and keep them safe--
In dear old Yankee Land.
