"Democracy For All The World!" Warren T. W. Harris.

1

An hear the brand new bugle call--it's calling you andme;
To go and get the villain who is raging O'er the sea;
So, blow that silver trumpet--we will come and set them free--
For grand Democracy!

2

Oh how the Allies shouted--yes, they made a joyful roar-
When Uncle Sam said he would help them win this awful war;
He'd give his sons and bounty for the Right, there, on that shore--
For Grand Democracy!

3

They said that Pershing's xxxxx fighting boys would not reach French coast;
That's what the cruel Teutons said--that was their foolish boast--
But they havefailed to count upon our mighty marching hosts-
For Grand Democracy.

4

How all the whales they shouted when they heard the doeful sound;
An how the U boats scattered when our runners got around;
They made the fishes quiver when the sunk U. Boats they found--
For Grand Democracy.

CHORUS.

Hurrah! Hurrah! we'll shout for liberty!
God's Hand is plain upon the rolling sea;
We'll surely set the Allies free from German tyrrany--
For Grand Democracy. (2d cho)
Hurrah! Hurrah! we're going all way through!
To potsdam, and to Berlin, we'll go, too;
We'll march along and sing this song, neath the Red, White, and Blue--
For Grand Democracy.
