1

United States, God consecrates, a land for me, and you!
A home for men, by deed and pen, who stand united--true!
United States, America! united all we stand!
United States, America! United in His Land.

2

Our Fathers came with sword through flame, place our Emblem unfurled,
In Freedom, Light, upon the height, for freedom of the world;
United States, America! our glory is on high!
United States, America! God's Land, shall never die!

3

God's Will be done, on earth begun, by the Lord of all Hosts;
His Word we'll keep, on land and deep, and preach beyond the coasts!
United States, America! United Hosts of God,
United States, America! United on His Sod!

CHORUS.

All our mighty land is God's Land; all our God's Land is free!
All united with God we stand, for Peace and liberty!
Peace on earth, good will to men! from men on land and sea;
God's promised Word 's our Country's plan, Our words dear friends to thee.

4

Our welcome, friends, our hand extends, a helping hand to you;
If you will stand by God and land, and our Red, White, and Blue;
United States, America, our Father's God of thee;
United States, America, God's Land of Liberty!
