"Good Bye, Dear Old America" By Robt. H. C. Chapman.

Farewell to dear America, we're going to fight the foe;
Our boys in blue will all be there, their duty'll do, I know;
They're going to raise the Dear Old Flag above the land and sea;
They're going to fight for Uncle Sam, and Right, and Liberty.

CHORUS.

Then we'll fight like demons til we win;
No pow'r on earth will make us give in;
We'll wave the old Red, White, and Blue,
And show what our soldier boys can do.

2

Farewell, to dear America, farewll you land so dear;
To all our friends a last farewell, and then a good bye cheer;
Mid shot and shell we'll win our way to glorious victory
To raise the Flag ..the grand old Flag..upon the land and sea.
