"He Would Like To See Them Wearing Of His Blue" By Henry C.Manning

Uncle Sam is calling,boys our country to prepare;
Prepare must be our watchword that must ring from shore to shore;
Stand ready,boyds,to defend our native land,so fair;
Rally round our dear old Flag that shall wave forevermore.

2

Uncle Sam is calling can be heard from coast to coast;
Our rights upon the land and sea forever he'll uphold;
Stand by him,boys,show our foes, we are amighty host;
We will rally 'round our Flag as we always have of old.

3

Unvle Sam is standing and around him are his boys;
All cheering and saying they will stand by him to a man;
They're waving dear Old Glory,and making lots of moise,
Shouting cheers for Old Glory,and hurras for Uncle sam.

CHORUS.

Uncle Sam is marching all o'er this glorious land,
With his musket on his shoulder..Old Glory in his hand;
Calling to his sons,so loyal,brave and true;
That he would like to see them waering of his blue.
