"If You Think You Are A Man" Charles Curtis.

1

Our Country's called to arms;
We've cause to be alarmed;
If you love your Country, boys;
Let the world know you're alive!

CHORUS.

If you think you are a man,
That's the spirit we demand;
We want to win the war, boys--
If we can!

2

If you think you can fight,
Come on, you have it right,
For your mother, xxxx sister, too,
Wife, and old Red, White, and Blue.
