The Lord is my Shepherd—4

TWO BOOKS WHICH SHOULD BE IN EVERY CHOIR LIBRARY.

ANTHEM GEMS, VOL. I.

For Chorus or Quartette Choirs.—By W. F. SUDDS.

The publisher of the above takes pride in calling attention to its superiority as a collection of anthems of only moderate difficulty, among which one may search in vain for either dry, uninteresting or trashy music, so common in modern collections of easy anthems.

The selections and arrangements are from Mendelssohn, Mozart, Spohr, Beethoven, and other standard authors; besides a number of compositions by the editor, whose talent has already placed him among, if not (as some claim) at the head of, modern American composers; at all events, publishers are glad to procure his works, even at great expense.

In the above work will be found solos, duets or trios sufficient to please the admirers of solo singing, and which are written with an evident knowledge of the mechanism and capabilities of the human voice; hence no "unsingable" passages will be found. The organ accompaniments are separate, making it much easier for the average player than when required to play from the vocal score. In short, the two volumes, for the average amateur choir, are undoubtedly the best collections of anthems ever published.

CONTENTS.

Abide with me.....	Sudds	Hark! the herald angels sing (Christ-mas hymn).....	Mendelssohn	O how lovely is Zion.....	From Romberg
And ye shall seek me (Sentence)	Sudds	Hear my prayer.....	Spohr	O Lord be my merciful.....	From Concone

God of mercy.....	From "Costa"	Martin Luther's Hymn (Solo and Chorus)		Teach me O Lord.....	Sudds
Glory to God on high.....	Mozart	Never, my God, to the.....	Sudds	Vesper hymn (Quartette).....	Sudds

ANTHEM GEMS, VOL. II.

For Chorus or Quartette Choirs.—By W. F. SUDDS.

In presenting the second volume of this truly valuable collection of Anthems, the publisher has the satisfaction of knowing that it will be fully appreciated by all who have become acquainted with the contents of Vol. I. The same care has been taken, in the preparation of this volume, as was exercised in compiling the previous one, viz.: not to permit the use of any save the very best and most appropriate compositions; hence, for merit, usefulness and beauty, a more attractive or valuable collection of part-pieces was never before offered to the public.

Beside the arrangements and selections from the greatest masters, Mr. Sudds, the eminent composer, has himself contributed not a few "gems," to help increase the wealth of this attractive book.

Each piece is provided with complete voice and organ parts, and, therefore, will be found most convenient for practical use—a point of great importance to choirs. Interspersed throughout the work will be found solos, duets and trios—all written within the scope of the average voice; so that every composition will prove to be available, and not introduced merely to "fill up with." The name of the editor, independent of the brilliant success of Vol. I, is sufficient guarantee that ANTHEM GEMS, Vol. II, will have a large and rapid sale.

CONTENTS.

Abide with me.....	Arranged from Lyseberg	Hark! the herald angels sing (Christ-mas hymn).....	Mendelssohn	Lord's prayer (Op. 97, No. 2).....	Sudds
