"My Service Flag"Norma Noteware Powell.

1

Altho dark is the night,yet my home is still bright
For there in my window shines so bright,
My Service Flag,Blue Red,and White;
Its loyal message telling to all;
Of a youth who answered his country's call.

CHORUS.

Blessed by my pray'r,shines my Service Flag,there;
With the Red apart,of a woman's heart;
That in loyalty white,rides for the right
My soldier true,in your Star of Blue;
And knowing,too,that if for the Blue,
A Star of Gold shall come;
I'll say with you,yes,say with you:"
Thy will be done !"

2

Tho in my Star of Blue,shines a tear drop for you
Yet,still,always,my lips they shall cheer
As when you marched away.my dear;
For then I knew that in service,true,
It was you that made it Red.White,and Blue.
