"On To Victory" By Zuba Z Shields.

HurrahHurrah,our praises sing..Uncle Sammy's boys are marching;
O'er hills and vale they come,marching with fife and drum;
Marching on to victory.
Theywill do their best,and they'll stand the test,
With any in the land..marching on to victory.

Hurrah,hurrah,our praise sing,Uncle Sammy's boys are sailing;
O'er raging seas they'll sail,they will not,cannot,fail,
Sailing on to victory.
They will do their best,and they'll stand the test,
With any in the land,marching on to Victory.

Hurrah,hurrah,our praise sing,Uncle Sammy's boys are marching..sailing;
In God we place our trust, and therefore,win we must;
They will do their best,they will stand the test,
With any in the land,and we hope for victory.
