"Somewhere,Over There--Full Of Pep" M. A. Hannum.

1

Somewhere;over there;yes,somewhere in France;
There's a jolly good bunch full of pep and of prance;
Somewhere,over there,yes,there with the rep,
We aretaking the Boches at every step!
Something doing and a lot of help;
French,English,Belgians,Yanks and others,too;
Colored troops and Japs,Italians,likewise fight-
To sap the Boche their job ere they get through!!

2

Somewhere:over there,yes,over the top!
We will sure give the Hun a most terrible flop;
Yes,and long before we are through;
They will think anything but a fight will do;
They will bow to rights of Nations,then;
Somewhere,yes,over there,that's why we're here;
We will save poor souls from Boches slaughtering sneer,
Democracy and Peace we'll give this year.

CHORUS.

Somewhere,over there in No Man's Land;
There's a jolly good bunchwith the pep and sand;
We are taking the Huns out of their fighting trance;
They'll respect the rights of others as they march out of France.
