"Sweet Peace To You"
James Hess...

1

We have marched to meet the Kaiser, who's the meanest man of all;
He is crazed for loot, and really thinks that he dont fall at all;
But nations they reject his toll--his bloody works unfold--
The Boys in Blue, are over there and fighting brave and bold.

2

We' have marched to meet the KAISER, WE ARE SHOOTING AT HIM HIGH:
They are falling back by thousands, and if they had wings, they'd fly;
They're falling by the wayside, for they cannot stand our crew;
The boys in blue are plowing straight for Liberty and you.

CHORUS.

Will you greet the Boys in Blue and Khaki,
And rejoice with the other Nations, true?
With the Mothers Of France, and the Mothers at home?
When they bring sweet peace to YOU?
