"Ugetta Bond" By Nellie H Delaney.

Ugetta bond--'twill renovate the faded stripes of yore;
In Uncle Sammy's U.S,coat,and doll him up once more;
Standing ~~xxxxxxxx~~ pat in brigther colors,and forgetting the dim past;
And win the battle in new style--Ugetta bond at best.

Ugetta bond,'twill make him smile,and stroke his ~~xxx~~ beard so long;
And let him know that Yankee dough,is raising,raising strong;
E'en Jupiter and Mars would smile--but as they're higher type--
Thro dignity suppress a laugh--their smile is out of sight.

Ugetta bond--'twill help him doll in colors bright and true;
Prove to the Runs across the pondwhat Yankee Doodle do;
Just brighten up his faded stripes--renew Old Glory,too--
Ugetta bond--help Uncle Sam--to stripesof ~~fade~~ less hue

Ugetta bond--and help him dress in colors bright and gay;
And watch the s gar tumble down,when he stands on the ground;
Plank steak,potatoes,butter ~~xxx~~ the rest will tumble,too;
And coal will greet him,this is what our Yankee Doodle do.

CHORUS.

Ugetta Bond!Ugetta Bond!tis a duty of which you should be fond;
Ugetta bond!Ugetta Bond!put your hand in your pocket and get a bond.
