"Uncle Sam" George A. Perley.

1

There stands a man on this world's top--his name is Uncle Sam!
He points his finger right straight out, a looking for a man;
He's looking North, he's looking South, and looking East and West;
At eve'ry man his finger points to do his very best.

2

The tyranny of olden times, Old Uncle says must stop;
The people on this earth must live with Uncle at the top!
He's looking North; he's looking South; he's looking all the while;
We'll show the monarchs how we're made--we'll make old Uncle smile.

CHORUS.

Oh, hip! hip! Hooray for Uncle Sam!
We've sat around a while!
And now we'll get right up and dust,
And make old Uncle smile!!
