"Uncle Sam Is Calling" By Mrs.L.E.Gilbert.

Uncle Sam is calling--come,rally round the Flag;
Uncle Sam is calling--let not your footsteps lag;
Uncle Sam is calling--now,do not be so slow;
When uncle Sam starts calling,why all of us must go.

CHORUS.

Hurrah,hurrah,fling our banners to the breeze;
Hurrah,hurrah,if it be on land or seas;
It must evermore be honored for honor is its due;
For ever may it wave o'er head--the old Red,White,and Blue.

2

Uncle Sam is calling,hear him from shore to shore;
And the boys are coming, a million ,yea,and more;
How their cheers are swelling, into a mighty roar;
Look out for Uncle Sammy,he's on his way to war.

3

Uncle Sam is calling, and we shall sail away,
We are ready,ready for the entry to the fray;
We know right will win out,and bring back peace some day,
And Uncle Sammy's calling/ let's go,hip,hip,hooray.
