"U. S. A." By J. C. Kaye.

Ge.G rmany,you've picked a fight with good old Uncle Sam;
We'll show you we have ready men to give back slam for slam;
For U. S. A. stands number one this country to protect;
So stop and think before you step on Uncle Sammy's neck!

CHORUS.

We all,love dear America;we'll fight for Uncle Sam;
We're going to fight for victory,or die as heroes dam.

2

You must not think that Uncle Sam is napping on the job;
A million eyes are watching you,while war is on the throb;
We're ready now to do our bit,we all love Uncle Sam;
No matter what you Germans think,we do not give a -hang!

3

Stir up your men,they all need grit to stand before our gun;
When U. S. starts to fight you bet there's going to be some fun;
We're proud that we're all Yankees,and we hope to win the day;
Three cheers!Good luck to Uncle Sam! and the good old U. S. A.
