"We'll Keep A Watch On The Rhine" Georgianna Lee.

1

We drove the Fritzies back, boys, across the River Rhine;
To keep the country safe, boys, made it the boun'ry line;
The Rhine's the common barrier, we'll hold the Fritzies there;
Until they've done with tricks, boys, and guarantee they're square.

2

We wish to live in peace, boys, in peace with all mankind;
But Germany's agression, is of another kind;
Till she at last proves faithful, and downs autocracy;
Humanity her motive--adopts Democracy.

CHORUS.

We'll keep a watch on the Rhine, boys,
We'll keep a watch so fine;
We'll keep a watch day and night boys--
We'll keep a watch on the Rhine.
