"AMERICA!" By J. B. Keating.

America--thy name means Liberty!
Arise!Arise!small nations call to thee!
Unfurl thy Banner ere the stars grow dim;
Let Vict'ry be thy watchword--Liberty,thy battle hymn.

CHORUS.

That beautiful Banner where ev'ry star glows
The pride of our heroes--the hate of our foes;
It's the land where the true and the brave andthe free
All share in the blessings of man's liberty.

2

America--thy name means Liberty!
Thy foes shall feel thy might on land and sea;
You're called by Heaven to defend the Right;
Go forth,America! Go forth and win this fight for right!
