"America's Boys--We Love You!" Mrs.Jessie Amidon.

1

What will you do for allthe soldier boys who're coming back?
I do not mean dear ones,alone,but Ted,and Tom,and Jack?
They have no one to meet them,or to greet them with a smile;
To make them know they're wanted,or they' really are worth while.

2

Don't be a disappointment to the sailor boy in blue,
You were proud of the khaki boys--let them be proud of you--
They are the boys who fought to save Democracy and Right;
And coming to America,must find it safe and bright;

3

They all must have a worthy place--feel that they'reneeded here;
Let's find them occupation,find them happiness and cheer,
Don't be a disappointment to the sailor boy in blue,
You were proud of the khaki boys--let them be proud of you.

CHORUS.

America,we love you,to you we're always true;
In Peace or War,we'll do out bit,and more--America,we love you!
