Up with the flag, Up with the flag Up with the flag we love
Up with the flag, Up with the flag Up with the flag we love

Patriots behold its glories unfold, The banner of freedom we love
Red, White and Blue, the colors so true That gleam in the heavens a - bove
Flag of the free, for - ev - er to be Our treasure, Earth's treasures a - bove

Up with the flag, lift it on high Lib - er - ty's en - sign fair
Up with it now, ban - ish all fear Loy - al - ty greets the sign
Stainless and fair, through all the years Nev - er a star shall fail

Fling to the breeze where peo - ple pass by Our ban - ner beyond com - pare.
Now let us Cheer with Cheer up - on Cheer As yonder the Colors shine.
Trust - ing in God, through blood and through tears Our ban - ner shall still pre - vail.
