Good Bye Nellie.

1)Now boys you all know Nellie,
The girl from our home town,
She's the girl who always greetsus,
When we're up or when we're down.
She is neighbourly and friendly,
And will ease the old folks woes,
And will help them bear their burdens,
'Till their boys come home.

CHORUS,
Good-bye Nellie,we're going across the sea,
Good-bye Nellie we're off for Germany
And when we meet the Kaiser,
We'll drive him in the sea,
And we all will be happy,
For all nations will be free.

2)Now Nellie is my sweetheart,
The girl whom I adore,
She's the one who always stood by me,
And would smooth my troubles o'er,
And when the war is over,
It is married we will be,
And then we'll settle down boys,
And enjoy our victory.

CHORUS.
Good-bye Nellie we're going across the sea,
Good-bye Nellie we're off for Germany,
And when we meet the Kaiser,
We'll drive him in the sea,
And we all will be happy,
For all nations will be free.
