"STAND BY THE FLAG."

Words & Music
by
TOM DELANEY.

Verse.

I'm American Citizen ~~and~~ was born in the U. S. A;
Any ##### time my country calls on me I'm ready to obey.
Let it me now or tommorrow or any other time,
I'll put my rifle on my shoulder and to the front I'll fall in line.
Because I love the stars and stripes by it I'll ever stand,
I hope it will forever wave upon this glorious land.

Chorus.

Stand by the flag boys, stand by the flag,
It makes no difference when or where never let it fall or drag,
It's been flying for many years and we'll fight for it through blood and tears
My country tis of thee,
Should all old acquaintance be forgot, If we must fight we'll#have no fears, so stand by the Flag.
