Intro. Vamp. Voc.

I'm going to tell a story It
now when your then your workswork and

wont take very long and if you do just as I tell you surely can't go wrong. You're all born pa-tri
Come home with your pay Wont spend it all for fool-ish-ness But stick a bit a-way For any bank will

otic you've answered the last call But you almost have for-gotten the most urgent thing of all —
sell you nice Liberty Bonds galore And if you will only buy them, that's what they are looking for — Just re-

Chorus

mem-ber the boys in Europe Who are fight-ing for us at home, There are yet more to go Who will

soon face the foe How can we tell how long they'll be gone. You can sit in your homes and castles And no

bullets will trouble you But there's one thing you can do just to show your self true blue We can all own a Liberty Bond
