Everybody Love's a Soldier Boy

Words by Jos. O. Van Stavren (March Song) Music by Wm. T. Clark

Piano

1 When you see our sol-diers marching by With firm step as to war
2 Tho' we all will miss our soldier boys When they have gone a-way

While Old Glory proudly waves on high As it has done be-fore For
We know they'll fight both day and night For good old U. S. A. And

soon they'll join the al-lies brave, Who wait a-cross the sea There the
when our vic-tory won at last, How proud of them we'll be When we

Blue and the Gray will side by side Fight for our lib-er-ty
Wel-come home our boys a-gain Back from a-cross the sea

Chorus

Everybody loves a soldier boy Who'll fight for Uncle Sam,

Everybody's proud of the soldier boy Who would die for Uncle Sam, So
