CHO.

Let's go boys, let's go, Oh please don't be so slow, We'll leave our friends be-hind to-day ——

—— But we'll sure-ly come back a-gain, — So please don't cry, please don't sigh while we're a-

way, —— It's for you that we go, that Kai-ser to show It takes the Yan-kee

boys to lay cul-ture low, So let's go boys, let's go. ——
