"When The Boys Of Uncle Sam
Come Home From War"

I

Let's go down to the station people,
Our boys come home to-day
With great honors
Won in a grand and noble fray — do join us
— There'll be great politicians waiting
Taxis all in a row
See Old Glory,
Waving as down the steets they go — O!

— Chorus —

Don't they look swell, as down the street they're marching,
Who here can tell, what each hero's been thru?
Say can't you see, their smiles of glee —
As they think of grand receptions that soon will be?
— Just lis' to that band, of all it's fine musicians
My it's so grand, how can we but adore?
Our hearts are beating for the first cordial meeting,
When the boys of Uncle Sam come home from war.
