Violin. song. and Voice.

I left the best "girl" in the world to fight for you
I can see you hoist the flag up to the dome

You love me and I love you "sweet Li-- ber-- Ty"
"You wrote too, it will be there when I get home"

To---- geth--er we will go, to shoo away the Foe"
My---- swe-- et Li--ber-- ty," My sweet Li--ber--Ty"

And---- we are going to win, you watch and see,
You---- are the sweet-est lit--tle girl for me,

The Ty--rants" U-Boats" nev-er can com--mand the seas,
You al--so said I am the one that you will wed,

All must have freedom in this world sweet Li--ber--ty,
When I think of you it sim-- ly turns my head,

I see you un--der--sta--nd, just let me hold you'r hand
I know that you are true blue and I'll be true to you,

I have no--thing else to do but fight for you.
You'r the on- ly one for me sweet Li-- ber--- ty.

I have no-thing else to do but fight for you, You want ~~no~~

no - thing else to do but wait for me None oth- er can I see

You'r in need of me, I need you, I do, RED, WHITE, AND BLUE

Just hear the ringing of the liberty Bell, sweet liberty is stand-

-ing by the well, She will give us all a drink, She will want

us all to think, I have no- thing else to do but fihgt for you
