In Partnership with Uncle Sam

Now there are sol-diers fight-ing for our coun-try o'er the sea There
Now Wil-son claims the time has come to con-quer or sub-mit For

fight-ing to bring old glo-ry vic-to-ry — Tor-tures they en-dure while
us there is one choice we have made it — That means war and war and

we stay at Home - and never stop to think — all that they go through
for us to fight and fight with all our might Some-things to be done

just for me and you and now you lis-ten to me —
if this war is won and now you lis-ten to me

Chorus

They're fight-ing for you - They're fight-ing for me — They're fight-ing for dear

old De-mo-ra-cy — They're giv-ing up lives and sweet Hearts and wives To

make our count-ry free — Now they're ask-ing of you They're ask-ing of me To

help bring the all-lies to vic-to-ry — Now there's on-ly one way — to re

spond that Call And that's buy a Lib-er-ty That's buy a Lib-er-ty That's buy a Liber-ty Bond Bond
