Chorus

Hur-rah for the "Star Spangled Banner" And Hur-rah! for Home we'll fight to win and not give in no matter where we roam we must fight for our U. S. A.. For our Loved ones far a-way Hur-rah for the Star Spangled Banner And Hur-rah for Home.

Hurrah for the U. S. A.

-1-

We have come across the sea,
From the Land of Liberty
To help the Allies lick the ugly hun,
And we'll show them we can fight,
We will fight with all our might,
Until every bloomin German's on the run

-2-

Oh the good old U. S. A.
Many, many miles away,
How we love our blessed country more and more.
And we know it's up to us,
Not to let one German cuss
Ever dare to put his foot upon our (shore

-3-

The mad Boches think we're slow,
That we haven't any go,
That we don't know how to fight or what to do,
But it won't be very long,
When they'll have to change their song
For we're going to get Berlin before we're through.

Chorus.

Hurrah for the Star Spangled Banner,
And Hurrah for Home,
We'll fight to win and not give in
No matter where we roam.
We must fight for our U. S. A.
For our loved ones far away,
Hurrah for the STAR SPANGLED BANNER
And Hurrah for Home.
